			Total Cost: _____

NOTE: If you are registering as a group, please list the names of those attending on the back of the form.

The Awakening Worship Conference is designed to help raise up the spiritual temperature in worship in our churches.

Though worship is not all about music, vocals and tech, these are some of the common tools the modern church utilizes to help call and inspire people to worship.

During the conference, we will invest time growing in skill and heart, all the while praying our leaders, teams and congregations will come alive in worship.

THE AWAKENING WORSHIP CONFERENCE
is presented by

407 Edwardsville Road
Troy, IL 62294
