

SHORT TERM VOLUNTEER ROLE:

HELP US CONNECT WITH CAMPUS CHRISTIAN GROUPS TO INVITE STUDENTS TO SERVE WITH HARVEST MINISTRY TEAMS.

Connect with college Christian group leaders (Cru, InterVarsity, Wesley and others) to send information about summer ministry and serving in and through Harvest.

PURPOSE: To get the word out about serving on Harvest Ministry Teams (weekends or summers)

HOW: Search St. Louis area and Illinois College / University Christian groups, compile contact info for leaders. Search groups like Cru, InterVarsity, Wesley Foundations, etc. You may also search for the overarching organization that would have info for all these folks across the state. If you have any contacts in this realm, feel free to reach out and find out how who to send info to.

END PRODUCT: Send me a list of names of leaders and email addresses for them so we can invite them to share about Harvest with their students.
