

VOLUNTEER PROJECT – EDIT POSTS AND ARTICLES FOR HARVEST MINISTRY

PURPOSE: Help edit blog posts and articles that we want to publish.

HOW: We will set up a google drive to share what needs to be edited and you can fix it up and we will publish it.

STEPS: We would need to get your info, connect on a google doc / folder, and create a timeline.

WHAT TO DO: Edit for spelling, grammar and overused or unnecessary words, basic sentence structure.

Let me know if you would like to help with this....
