MERRY CHRISTMAS
From Harvest!

Merry Christmas & Happy New Year!

We're celebrating the story of hope, light and salvation and sharing it with everyone we know!

As you may know, Harvest Ministry has been serving in Illinois and the Midwest region as a worship team for children and youth camps since 1996. In addition to these summer events, Harvest also leads worship for conferences, churches and other ministry gatherings. We'd love to join you at your church!

The reason we continue in this mission is to remain faithful to God's calling. And this Christmas season reminds us again that salvation is found in His name.

The manger: hope.
The cross: grace.
The resurrection: glory.

Special events, retreats, training and other specialized moments in the church are springboards to the formative and powerful week in and week out discipleship ministry of the local church.
